## Education

**Northern Illinois University**, BS in Computer Science — Expected May 2026
*Software Development Emphasis, with University Honors*

- GPA: 3.624 /4.0
- Selected Coursework: Intro to Software Engineering, Python Programming Principles, Data Visualization, Data Structures and Algorithms, Operating Systems, Databases, Computer Architecture and System Organization

## Experience

**Undergraduate Research Assistant** — Spring 2026
*Department of Computer Science, Northern Illinois University*

- Investigated reproducibility of Jupyter and Observable notebooks in web-based execution environments
- Implemented Python tooling to test cross-cell type validity and enhance notebook data analysis

## Selected Projects

**Product Catalog Website**

- Class group project for Software Engineering course.
- Made with React, Vite, CSS and SQLite.
- Created a car parts catalog site that included a credit card system and inventory information.
- Primary role included front-end development

**Personal Website**

- Personal solo project, made with React + Vite and Tailwind CSS.
- Created a portfolio site to show past projects and have contact information.

## Skills

**Languages:** C++/C, Python, Java, HTML, CSS / TailwindCSS, TypeScript, SQL, JavaScript, UNIX, PHP
**Technologies:** React.js, Node.js, Docker, Linux, Express.js, Pandas, Matplotlib, Git, Vite
**Tools:** Microsoft Office, Excel, Tableau, Power BI
**Conceptual Skills:** Software Engineering, Data Analysis, Web Development, Object-Oriented Programming, Data Visualization, Agile Methodologies, Schema Design, Scripting, MySQL, SQLite, Database Design and Querying

## Leadership

**SIG Web Development Officer** — 2025 - present
*NIU Association of Computing Machinery*

- Developed lesson plans of languages and industry-standard frameworks used in Web Development and presented to students.

## Clubs/Organizations

**NIU Honors Program**, Member — 2022 – present
**NIU Association of Computing Machinery**, Member and SIGWebDev Officer — 2023 – present
**NIU National Society of Black Engineers**, Member — 2025 – present
